MAY 2019 – Heraklion / GREECE

Sunday

It was time to fly Heraklion . Everybody in our group was excited because it was our first trip to Heraklion . Firstly , we took taxi from Tefenni to İzmir . Time came and we were ready for flight . Our route was Athens ,Greece and then Heraklion . We arrived in Athens at 22.50 . We waited there for 15 mins for our next flight . It was 23.05 when we got on the plane from Athens to Heraklion and it was 00.25 when we landed to Heraklion . A taxi driver was waiting for us at the airport to take us to the our hotel where we stayed . Our first impression about Heraklion was very good . Because it is surrounded by sea and it has a great nature . It is also a silent and peaceful city . Everybody was tired and we went to our rooms .

Monday

We had a visit to the school , after a short bus trip we were at school . First, we went to school hall for welcome ceremony . We watched presentations prepared by Greek students and wonderful Greek traditional folk dances by Greek students. Then , the teachers from all groups came together in Teacher's room and we , students , went to see classes followed our guides . During the visit to school we got information about school's activities . We got pleasure with all of these new informations . We met with other students and made good friendships .Then , it was time for lunch at school canteen . After our lunch at school canteen , we had a short break to talk with teachers and students.Now , it was time for us to walk in the coastal front and the surrounding school area towards National History Museum .It was great time to spend time at Museum , we got pleasure with all of these new information about National History Museum .Then , we had lunch at Anchorovolia restaurant by the sea and rest for a while .The last , we had walk and guided tour inside the Koules Fortress , it was wonderful to be there and we got pleasure with all of these new informations . Finally , we turned back to hotel and after short rest we had our dinner .After dinner , we went our rooms to have a sleep for start a new workshops , visits and new informations next day .

CUSTOMS AND TRADITIONS

- In Greece, tradition is still alive. On your holidays here, you will meet in several places locals dressed in the traditional costumes of their place: in Crete the elders wear proudly their robes and Cretan vars or the black scarf.
- Traditional dances give an even more powerful "present", however, in the culture of everyday life in Greece.

TALOS: The Bronze Giant Of Crete

The school is also known as "TALOS" by the name of an ancient robot that used to live in Crete.

The myth says that he was protecting the island from the pirates. Talos had a duty to protect Crete not only from enemies but also from any kind of injustice. This shows how important justice was in ancient Crete.

The bronze hero Talos symbolises technological development in the field of metalworking in prehistoric
